

pillow Talk

1. SELECTION

This part is where you get to be creative. When you shop, this is the place to have fun, especially with your hero pillow. Buy prints, colors, patterns, texture and don't be afraid to experiment. Pillows are the easiest things to change out.

2. CASCADING

The secret to cascading is that size doesn't matter! There is no specific size you HAVE to use.

3. EDITING

We've said it before, and we'll say it again. OVER-BUY!
Anything you don't like you can return (check their policy first just to be sure).
